

16,960 square feet gross; 10,960 square feet net assignable

## B. HISTORY OF BUILDING

The 1922 edition of Sanborn's insurance maps (p. 707) indicates 1910 as the date of construction of this building.

This property was sold to the Board of Trustees by the Columbus Board of Education by warranty deed executed January 26, 1940 (Deed Book 1132, p. 563).

The building has been used for a variety of storage purposes, chiefly in connection with operation of the University farms.

See Addendum No. 1

## ADDENDUM NO. 1

The original drawings, housed in the University Architect's vault, indicate that D. Reibel was the architect. The drawings are not dated.

A copy of these drawings made on March 7, 1950, located in the same vault, bears the date 1912-13. The source of this date is not indicated.
